

137-4, 138-1 Aza Iwaobetsu, Kutchan, Hokkaido, 044-0081

Large parcel of land with multiple town road frontage for sale minutes drive from ski resorts.

This parcel of land lends itself to a future sub-division development when considering its layout and multiple road access allowing for minimal internal road construction within a future sub-division plan. Terraced terrain, surrounded by farm field of 2 sides, will aid in giving a balance between a sense of rural life on the edge of Kutchan town, while helping to maintain unobstructed views of Mt Yotei. Being located between Kutchan town and Niseko Hirafu Village, means easy access to Niseko Grande Hirafu and Niseko Hanazono Ski Resort during winter months, but being within walking distance of Kutchan facilities, Supermarkets, restaurants, etc. Utilities connections such as electricity and town water are nearby. Septic system would need to be used. NOTE: the north west boundary backs onto the local railway line and the future Shinkansen "Bullet" train line will be constructed several hundred metres away close to the Shiribetsu river within the next 10 years.
