

290-23 Aza Iwabetsu, Kutchan, Abuta gun

100m from Hanazono ski resort base. Excellent site for luxury apartments and/or commercial development. This is block 290-23, the third block of 4 blocks in this parcel of land at Hanazono Corner. This block is located the third closest to Hanazono Ski Resort on the centre of the outside apex of the road curve. It has views along both the entrance and exit to the curve, making this location definitely the place to be noticed with a future commercial building/accommodation development.
